

Information for Families on How Our Office is Dealing with SARS-CoV-2/COVID-19/Coronavirus

April 12, 2021

Our priority is the safety and well-being of the families we serve. We are taking the following precautions to protect our patients .

Before the Appointment:

- Only the patient and individual(s) participating in the session may attend.
 - If others accompany the family, they must wait outside/in the car.
- *Families should wait in their cars/outside until their appointment time.*

Office Health Screening and Check-In:

- Everyone visiting the office will self-screen for COVID-19 symptoms before entering. *Anyone who self-screens positive should not enter the office and will be asked to call the office to reschedule their appointment.*
- Everyone entering the office will be screened for COVID-19 symptoms by their provider. *Anyone who screens positive will be asked to reschedule.*
- All patients/families must bring and wear face masks in the office.
- Providers will wear face masks from check-in throughout the session.
- After screening, everyone must wash hands or use hand sanitizer.

While in the Office:

- Seating throughout the office maintains an appropriate physical distance.
- Visitors may bring sealed beverages but not food into the office.
- Visitors should use sanitizer after touching their face, sneezing, etc.
- Providers will maintain a safe distance (i.e., will not shake hands, etc).
- Chairs, pens and commonly touched items are sanitized after each use.
- Door handles and common areas are sanitized between sessions.
